Each year approximately 80,000 people in the United States are diagnosed with a brain tumor – that is an average of over 220 people every day. In addition to the often debilitating physical effects such as severe headaches, seizures, hearing loss, loss of balance and difficulties with coordination, brain tumors may also cause cognitive, behavioral and emotional problems. In some cases, these symptoms are severe enough that round-the-clock supervision is needed, forcing patients and their loved ones to face financial challenges after a brain tumor diagnosis. In 2010, the Glenn Garcelon Foundation was established to improve the quality of life of brain tumor patients by providing them with much needed emotional and financial support.

Since 2012, the Glenn Garcelon Foundation has raised over \$300,000 to help brain tumor patients and their families. We have been thrilled to award grants to those dealing with the devastating effects of brain cancer, like Michele, a single mother whose brain cancer has made mobility very difficult and was thrilled when we purchased a wheelchair, walker and cane, in addition to paying her rent; Randy, diagnosed in March, 2015 used his grant to pay bills and passed away in 2016; Dwayne, diagnosed with brain cancer in December, 2012, passed away March 29, 2014, having spent those 15 months in the hospital, who used his grant to pay bills that were piling up; Jennifer, who used her grant to pay for MRIs; and Donna, whose husband left her after her diagnosis used her grant for day to day living expenses and bill.

In order to raise the money necessary to continue providing patients like Michele and Randy and Dwayne and Jennifer and Donna with the support they so desperately need, the Glenn Garcelon Foundation is pleased to be hosting the 7th Annual Glenn Garcelon Foundation Golf Classic at Tour 18 in Flower Mound, Texas on April 15, 2018. We invite you to be part of making day-to-day living for brain tumor patients a bit easier by joining forces with the Glenn Garcelon Foundation and becoming a Sponsor. See page 4 in this packet for the available Sponsorship Levels and decide at what level you are able to help with a tax-deductible donation.

Beyond these very specific ways in which you can support the Glenn Garcelon Foundation, any other level of monetary or promotional support of this important charity event would be greatly appreciated. And we hope you will consider joining us on April 15th, as we hit balls and take a swing for brain cancer patients. I would love the opportunity to talk with you about the Glenn Garcelon Foundation and to answer any questions you may have. Please feel to call me at the number below. The money raised at the Golf Classic is critical in carrying on the mission of the Glenn Garcelon Foundation. We hope that you will join us in this fight. Together we can make a difference. I look forward to hearing from you. Thank you so much for your support!

Sincerely,

Gail M. Garcelon
President
